To receive invitation letter, the applicant should forward the following information to the IFBB or Championship organizer:

## Athletes Without Delegate

All athletes competing at the IFBB Master World Championships must be members in good standing of their National Federations. Any athlete who arrives without a delegate must be nominated by his National Federation by sending the Final Entry Form, failing which the athlete will not be allowed to participate.

## Misrepresentation

Once officially registered, no athlete may withdraw from competition without the prior approval of the IFBB Chief Judge. It is not accepted for a national federation to unilaterally withdraw an athlete without prior approval of the IFBB chief judge, who has the right to verify the reason for the withdrawal.

## Medical with Drawal

Misrepresentation is a serious breach of the **IFBB CODE OF ETHICS** and occurs when an “official” of a National Federation deliberately misrepresents the number of athletes and delegates so as to obtain free of charge accommodations, meals, onsite transportation, access to the prejudging, finals, and farewell banquet, and other amenities at the expense of the Organizer. Part of this misrepresentation may be a false claim that a person is an athlete only to have that so-called athlete fail to officially register as a competitor at the weigh-in or, once having officially registered, fail to compete. Any National Federation found guilty of misrepresentation will be immediately disqualified from the championships and will be fined an amount equal to the Special Package Rate for each person involved.
