Any athlete who arrives without a delegate must be nominated by his/her National Federation by sending the Final Entry Form, failing which the athlete will not be allowed to participate.

MISREPRESENTATION

Misrepresentation is a serious breach of the IFBB Code of Ethics and occurs when an "official" of a National Federation deliberately misrepresents the number of Athletes and Delegates so as to obtain free-of-charge accommodations, meals, onsite transportation, access to the Prejudging, Finals and other amenities at the expense of the Organizer.

Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called. Athletes fail to officially register as a competitor at the Weigh-in or, once having officially registered, fail to compete.

Any National Federation found guilty of misrepresentation will be immediately disqualified from the Championships and will be fined an amount equal to the Special Package Rate for each person involved.
