Winners: 250 US \$

2nd place: 150 US \$

3rd place: 100 US \$

APPENDIX 1

TECHNICAL PARAMETERS OF THE VIDEO:

Full HD 1080 resolution with 30 frames/sec in format **.mov** (Apple system) or **.mp4**

The background and floor must be dark or neutral, without disturbing elements for assessment.

When using a phone to record the video, must be in a horizontal position, respecting the quality requirements (Full HD 1080; 30 frames/sec, and formats **.mov** or **.mp4**)

!!! Files made in other video formats will not be accepted !!!

REQUIREMENTS FOR VIDEO RECORDING:

- A. The video should be made with a fixed camera, located at the level of the midsection.
- B. Body of athlete, in the video, should be located exactly in the centre of the frame, covering 80%-90% of the screen space.
- C. Athletes shall be correctly illuminated (using studio or daylight), avoiding shadows on the face & body.

REQUIREMENTS FOR PICTURES:

The photo in the front position should be made in a resolution of **1920 × 1080 pixels**, with the athlete in the center of the frame, and saved in format **.jpg** (without compression)

Each photo & video must be titled with the full name of the participant.

In case the photos and videos cannot be opened or are not made according to the parameters, a letter will be sent to his/her email with the request about correction. If the correct photo materials will not be sent until the deadline, the athlete will be not allowed to compete, and the participation fee will not be returned.
