THE HOST CITY

Discover Benidorm, the Jewel of the Mediterranean.

Welcome to Benidorm, a city of stunning contrasts. Famously known as the "New York of the Mediterranean," its impressive skyline is matched only by the beauty of its golden sandy beaches. Benidorm is a place where vibrant energy meets tranquil relaxation.

Explore the bustling Levante beach, alive with activity, or unwind on the calmer shores of Poniente beach. For breathtaking panoramic views, make your way to the iconic "**Balcón del Mediterráneo**," a viewpoint that separates the two beaches.

But there's more to Benidorm than its coast. Lose yourself in the charming narrow streets of the Old Town, a delightful maze of traditional tapas bars, local shops, and historic churches.

THE LEGENDARY VENUE

BENIDORM PALACE

Prepare to step onto a stage with an extraordinary legacy. Benidorm Palace is more than a venue; it is a true institution, renowned across Europe for its world-class productions.

The IFBB proudly shares a strong history with this iconic stage, having hosted three historic World Championships (2015–2017) here, and returning once again in 2026 for the coming next Fit Model World Championships.
